CUSTOM ORDERS WITH TRACES:

Please use the following sheet to trace your custom drones, cameras, etc or a clean sheet of paper with ruler markings. Use a black pen or marker to trace your drones, cameras, etc. Please label each sheet with your name and order number if you have one.

Once you have completed all necessary steps, fax this form and all traced sheets to **877-854-4244**. We will contact you to confirm receipt of your order and/or traces.

Please use this page to trace all of your drones, cameras, etc. Make sure to include the height of each model and how many you need. Please trace as many drones, cameras, etc as you can on one page.
